Total	379		35	20	6	1	2	3	3	9.2%	

(1) Excludes faculty in the School of Arts and Sciences who took the AY 2016/17 retirement plan

(2) Defined as number of sections that can be taught by current faculty, in excess of (or below) what is required to cover existing courses. As calculated in Kennedy and Company analysis (Appendix F)

(3) Number of faculty positions to be removed to eliminate surplus sections

(4) Proposed source of faculty reductions
